

Montasjeveiledning Meta Raster (for T-profil bæresystem)

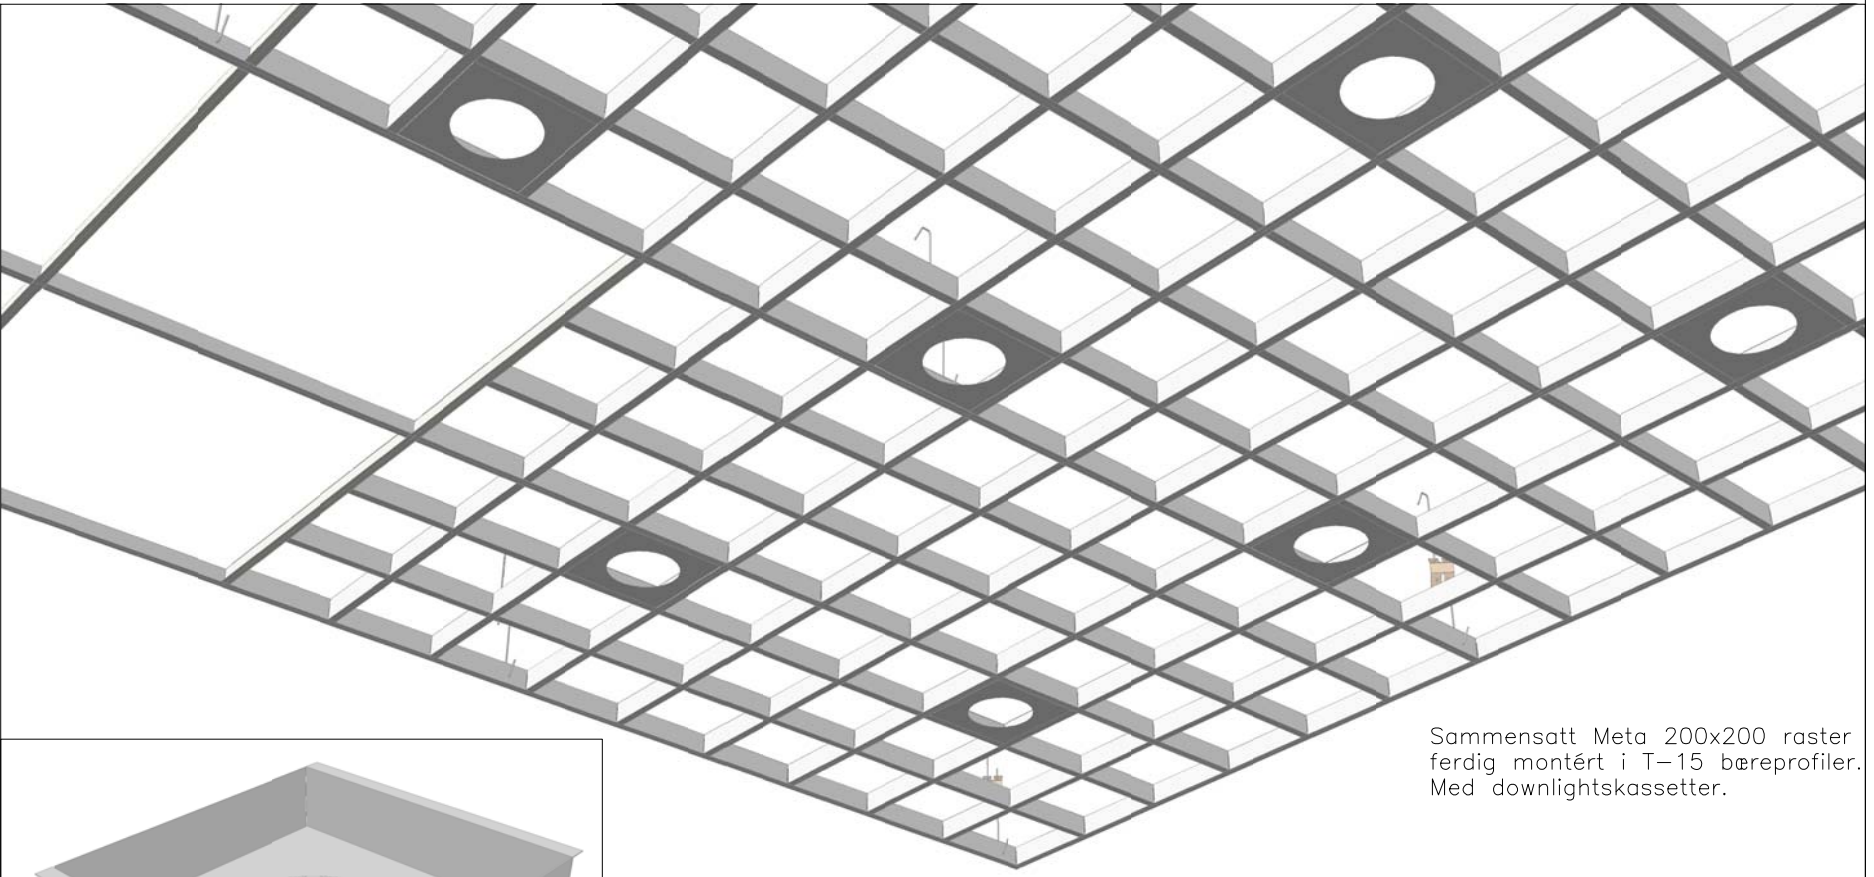

Rute 1-10 viser sammensetningen av Meta raster i modul 200x200 mm. Prinsippet er likt også i andre moduler.

Ferdig montert komplett rasterenhet.

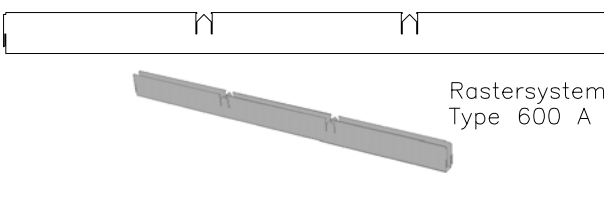

Sammensatt Meta raster legges i grid av 600x600 T-15 Profiler. (Dette databladet inkluderer ikke montasjeinstruks for T-profilene).

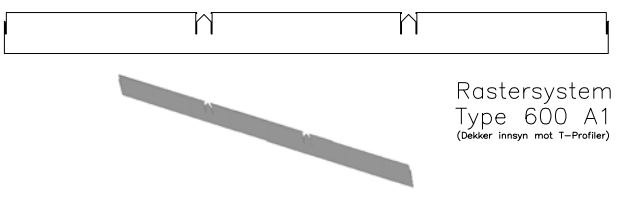

Sammensatt Meta 200x200 raster ferdig montert i T-15 bæreprøfiler. Med downlightskassetter.

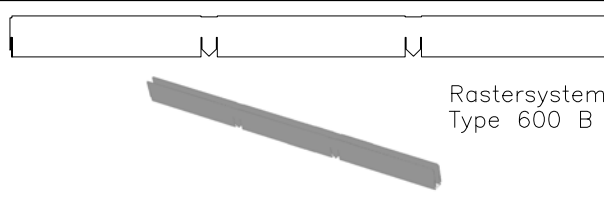

Detalje over de forskjellige profilene:

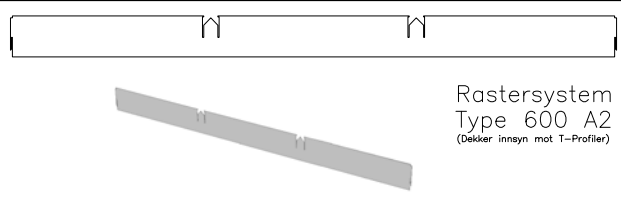

Rastersystem Type 600 A

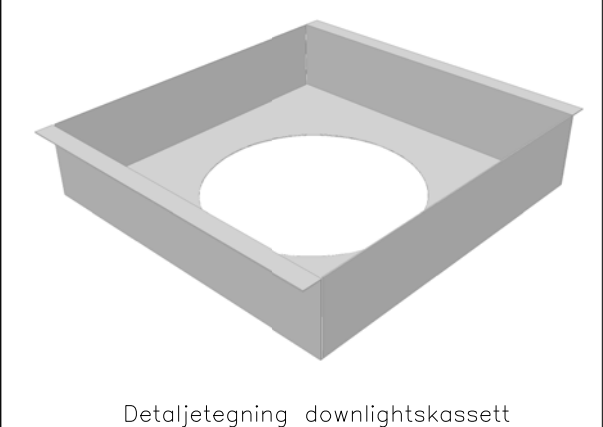

Rastersystem Type 600 A1 (Dekker innsyn mot T-Profiler)

Rastersystem Type 600 B

Rastersystem Type 600 A2 (Dekker innsyn mot T-Profiler)

Detaljetegning downlightskassett
